Duty to take reasonable care not to make a misrepresentation

When applying for insurance, you agree to take reasonable care not to make a misrepresentation to us before we issue your contract of insurance. The duty to take reasonable care is set out in the Encompass Protection Product Disclosure Statement and Policy Document (PDS) available on our website **www.encompassprotect.com.au/PDS**

What is a misrepresentation?

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

If you do not meet your duty to take reasonable care

If you do not take reasonable care not to make a misrepresentation, this can have serious impacts on your insurance. Your policy and/or cover could be cancelled and/or avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.
